

Thristan Gabriel

Frontend Developer

In the last 5 years I worked as a full stack developer,
I identify myself more with the frontend so I am making
a transition in my career to frontend development.
My expertise includes React, HTML, CSS, Sass
and JavaScript.

EXPERIENCE

Clinicorp - *Full stack developer*

From 01-05-2018 to 01-08-2023

Clinicorp is a SaaS company with more than
14.000 users that helps clinics self-manage.
